

Fortune Media and Great Place To Work Name IAT Insurance Group to 2023 Best Workplaces in Financial Services & Insurance List, Ranking No. 25

RALEIGH, N.C. (September 12, 2023) — Great Place To Work® and Fortune have selected IAT Insurance Group (IAT) for the 2023 Fortune Best Workplaces in Financial Services & Insurance™ List. This is IAT's first time being named to this prestigious list, this year coming in at 25th place. Earning a spot means that IAT Insurance Group is one of the best companies to work for in the country. IAT has been recognized as a Great Place To Work since 2018.

The Best Workplaces in Financial Services & Insurance list is based on analysis of survey responses from over 191,000 employees from Great Place To Work Certified™ companies in the financial services and insurance industry.

“At IAT, our employees are the driving force of our strong, collaborative culture, and this achievement is a reflection of a journey we've been on together,” said Bill Cunningham, CEO of IAT Insurance Group. “This recognition reinforces that we're on the right path and shows how committed we are to fostering an inclusive and supportive workplace for all. We're honored to be included.”

The Best Workplaces in Financial Services & Insurance list is highly competitive. Great Place To Work, the global authority on workplace culture, determines its lists using its proprietary For All™ Methodology to evaluate and certify thousands of organizations in America's largest ongoing annual workforce study, based on over 1.3 million survey responses and data from companies representing more than 7.5 million employees this year alone.

Survey responses reflect a comprehensive picture of the workplace experience. Honorees were selected based on their ability to offer positive outcomes for employees regardless of job role, race, gender, sexual orientation, work status, or other demographic identifier.

“Congratulations to the Best Workplaces in Financial Services & Insurance,” says Michael C. Bush, CEO of Great Place To Work. “These companies know that it isn't the industry — but the company — that determines the employee experience. By putting people first, they are reaping the rewards: higher levels of performance, innovation, and customer experience.”

“Fortune congratulates the Best Workplaces in Financial Services & Insurance,” says Fortune Editor-in-Chief Alyson Shontell. “Creating a vibrant workplace culture that draws the best talent in finance is vital for the success of the leaders in this highly competitive industry. It is also what's needed to ignite innovation and deliver best-in-class performance.”
