

Fortune Media and Great Place To Work Name IAT Insurance Group to 2024 Best Workplaces in Financial Services & Insurance List, Ranking No. 15

RALEIGH, N.C. (September 12, 2024) — Great Place To Work® and Fortune have selected IAT Insurance Group for the 2024 Fortune Best Workplaces in Financial Services & Insurance™ List. This is IAT's second time being named to this prestigious list, this year coming in at 15th place in the small and medium category. Earning a spot means that IAT is one of the best companies to work for in the country.

The Best Workplaces in Financial Services & Insurance list is based on an analysis of survey responses from over 194,000 employees at Great Place To Work Certified™ companies in the financial services and insurance industry.

“Our employees take ownership in driving our culture. Together, we continue to foster an inclusive and supportive workplace for all,” said Bill Cunningham, CEO of IAT Insurance Group. “Their engagement is why we’re receiving this honor again, and I couldn’t be prouder.”

The Best Workplaces in Financial Services & Insurance list is highly competitive. Great Place To Work, the global authority on workplace culture, determines its lists using its proprietary For All™ Methodology to evaluate and certify thousands of organizations in America’s largest ongoing annual workforce study, based on over 1.3 million survey responses and data from companies representing more than 8.2 million employees this year alone.

Survey responses reflect a comprehensive picture of the workplace experience. Honorees were selected based on their ability to offer positive outcomes for employees regardless of job role, race, gender, sexual orientation, work status, or other demographic identifier.

“Congratulations to the Best Workplaces in Financial Services & Insurance,” says Michael C. Bush, CEO of Great Place To Work. “These companies not only outperform the average for their industry but have created workplaces that outshine the average in every category, proving the importance of building trust with workers, no matter the industry.”

Earlier this year, IAT also made the Fortune Best Workplaces for Millennials™ List.
